KAFULA MUTALE – COUNCILLOR

BOARD VICE SECRETARY

“Improving lives, surroundings and environments”

With over 15 years’ experience in the ICT industry, Kafula Mutale is a distinguished and acclaimed ICT expert. He has plied his trade through Zambia National Commercial Bank, FINCA Zambia and Intermarket Bank. He brings to the table vast knowledge and experience in system re-engineering, system design, project management and implementation of “virgin” systems. He successfully superintended over the successful implementation of 2 important National Projects namely Currency Rebasing and Cheque Truncation System in Intermarket Bank. He is an associate member of the Institute for the Management of Information Systems (IMIS). Diploma in IMIS.

In 2016, he ran for the office of a Councilor for John Howard Ward 3, in Chawama Constituency under the sponsorship of the Patriotic Front Party. Under his reign, he has ensured that a new and modern ablution block is constructed at the main market in the ward. He has also built the drainages to alleviate the perennial challenge of flooding in the ward. Speed humps and street lights have been built and installed respectively. This has been done in order to regulate speeds of motor vehicles on busy roads, and to have well-lit streets to enhance security in the community. Plans are underway to secure some free land so that a mini Civic Centre can be built in the ward. Completion of a modern market in the ward is a priority, and he is working closely with the area Member of Parliament and the Council to ensure that the modern market is completed on time so that traders can occupy the shops. Kafula Mutale and his vast experience and skill will be or great benefit to Divine Mercy Home in transforming lives
